

Ph.D. SUPERVISORY COMMITTEE MEMBERSHIP

The progress of all Ph.D. candidates is monitored by an approved Supervisory Committee selected by the thesis supervisor and student. Committee composition may include the thesis supervisor and two, or occasionally three, additional members. One member of the committee may be invited from outside the Department or exceptionally, even from outside the University. Any subsequent changes to the committee composition must be approved by the Graduate Coordinator.

Student's Name:	Student #:
